## Welcome

The purpose of this brochure is to provide some information about Providence Care Centre, the services provided and how to apply to become a resident.

Providence Care Centre, opened January 2016, offers compassionate, person-centred care that helps people enjoy life to their fullest, regardless of circumstances that affect their health and well-being. As Calgary's oldest Catholic-based long term care residence, we are equally committed to the service and care of people of all faiths and denominations.

Providence Care Centre is an accredited not-for-profit continuing care residence, owned by the Sisters of Charity of Providence, operated by the Father Lacombe Care Society and governed by a volunteer Board of Directors.

The Society also operates Father Lacombe Care Centre, located across the street from Providence Care Centre. Should you wish to tour Father Lacombe Care Centre please call 403-256-4641.

## Admissions

Providence Care Centre does not accept applications for admission directly. All applications for admission are handled through Alberta Health Services (AHS) Transition Services as the single point of entry. They can be reached at 403-943-1685.

## Our Values

Excellence

Sacredness of Life

Compassion

Justice

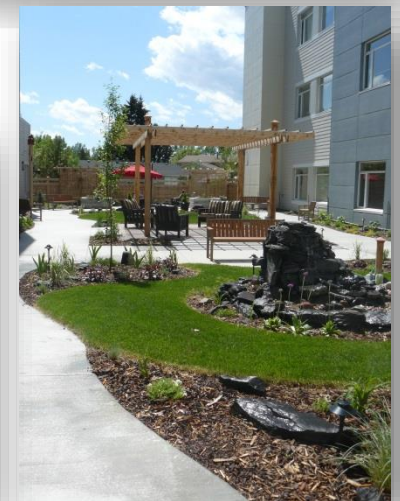

## The Facility

On the main floor you will find Reception and the Business Office, Bistro 1910, our Hair Salon, The Rewucki Great Room and the Mother Emile Gamelin Courtyard. Applewood is our Memory Care Neighbourhood for residents living with dementia and features the Healing Garden Courtyard. You will also find Baywood (specialized care), and St. John Vianney (for retired clergy).

On the second floor you will find Ashwood and Birchwood long term care neighborhoods. We also offer a private dining room that residents can be booked for small family gatherings.

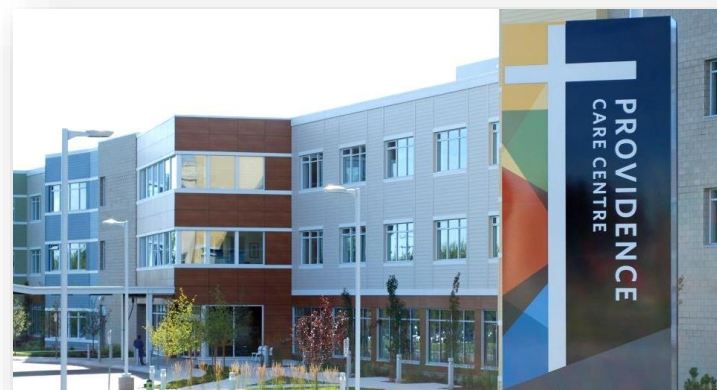

On the third floor is the R.A. Hemstock Library and the Maunders R. McNeil Occupational and Physical Therapy Centre for long term care residents.

The third floor is also home to Supportive Living residents in Aspenwood (SL4) and Boxwood (SL4D).

## Residential Care Services

Providence Care Centre is a 160-private suite home offering supportive living and long term care. Designed around a neighbourhood concept, each neighbourhood has 8 to 30 suites, a dining room, living room, lounges and a recreation room complete with a country kitchen.

Providence Care Centre provides:

- ✓ Nursing and personal care on a 24-hour basis, including care given by, or under the clinical direction of a registered nurse or licensed practical nurse, the administration of medication, and assistance with activities of daily living.
- ✓ Assessment and care services from a clinical team including nursing, social work, dietitian, occupational therapy and recreation.
- ✓ Complete meal services, including 3 daily meals, snacks, therapeutic diets and assistance with meals.
- ✓ Private suites are on average 320 sq. ft. with a kitchenette, refrigerator, three piece bathroom with walk in shower designed for comfort, privacy and safety. Suites are bright with large windows, ample closet and storage space. Residents can personalize their rooms with pictures, television and small additional furnishings.
- ✓ A variety of social and recreational programs and physical activities.
- ✓ Pastoral care and religious services.
- ✓ Laundry services for all required bedding and linen and the cleaning and upkeep of all rooms and public areas.
- ✓ Resident care supplies including basic care equipment and supplies necessary for resident care.
- ✓ Each resident receives medical care from a family physician. The facility has a Medical Director who oversees the quality of medical care.
- ✓ Additional services (at a cost to the resident) are cable TV, Wi-Fi, Phone, Laundry Services, the Podiatrist, Optometrist, Denturist, Dental Hygienist, Audiologist, and Beauty Salon.
