Father Lacombe Care Society

(Father Lacombe & Providence Care Centre)

NOW ACCEPTING APPLICATIONS FOR HEALTH CARE AIDES

As Calgary's oldest Catholic Continuing Care Provider, we proudly provide resident centered care to 274 residents who call our two facilities home; Father Lacombe Care Centre and Providence Care Centre. Conveniently located just off Macleod Trail in the picturesque community of Midnapore, our two facilities are right across the street from each other on the southern banks of Fish Creek Park. We provide 24 hours nursing support to people living with a variety of diseases and illnesses, including (but not limited to) dementia, Parkinson's, cancer, traumatic brain injuries, congestive heart failure, COPD, and a variety of other chronic diseases.

Role Summary

The Health Care Aide (HCA) is the hands and feet of residents who are no longer able to care for themselves. You are essential in providing daily living support to seniors living in Long Term Care and Supportive Living. When you work with us you will care for our residents in all the ways they are no longer able to care for themselves, such as (but not limited to):

- Bathing, toileting, grooming, and dressing residents who are unable to do themselves.
- Assist in mobility, including total transfers with the use of a partner and mechanical lift.
- General meal support, including total meal assistance when required.
- Monitor and document overall wellness of residents.

All staff will be required to follow appropriate infection prevention and control measures, including continuous masking for the entire shift, regular hand washing, and wearing designated personal protective equipment when designated. **Due to the current pandemic situation health care workers are limited by CMOH Order 23-2020 and Alberta Labour and Immigration Ministerial Order No. 2020-26 to working at only one Continuing Care Site. Candidates who are currently employed in an existing Long Term Care or Supportive Living site will not be considered.**

Qualifications and Skills

- Current certification from an Alberta recognized Health Care Aide program, or
- Currently enrolled in Alberta LPN or RN program, and
- Active registration on the Alberta Health Care Aide Directory
- Must not already by working at a nursing home or designated supportive living facility.
- Frequent stooping, bending, reaching and pushing equipment.
- Clear criminal record search.
- Current immunization, including 2019 influenza vaccine.

To be considered for this exciting opportunity please send your resume and cover letter to hr@fatherlacombe.ca

We thank all candidates for applying. Please note that due to the volume of applications we receive; only short-listed candidates will be contacted. All qualified resumes will be held on file for six (6) months.
